## REMINDERS on Fare Rule Application :

- For all voluntary refunds, ensure the Refund Handling Fee is charged/collected in addition to the special fare cancellation penalty of ticketed fare class (if any).
- For PG domestic tickets, where there is a No-Show/NOGO, charge the no-show fee only for exchange/reissue. Fare difference may also apply.  
**DO NOT** charge the no-show fee as well as the rebook fee. You are only charging/collecting one penalty fee which is the **no-show fee**.
- 'O' class on PX International sectors is now changeable at K520 change fee.
- When two or more different fare classes are combined on one ticket, apply the fare condition of the most restrictive ticketed fare class.
- Refer to Fare Rules in Sabre or your GDS for Fare Conditions.
